

Accessibility Statement

We strive to make our website accessible in line with current accessibility requirements.

Our goal is to ensure that the content of our website is understandable and usable for as many people as possible.

We place great importance on a clear structure, easily legible text, and simple navigation.

We are continuously working to improve the accessibility of our website. However, it is possible that some content may not yet be fully accessible.

If you encounter any barriers or require assistance, please contact us:
